- Riders are required to leave Rings immediately following their last ride.
- Riders must wear masks at all times, in Barn, on foot, on Horseback, to be determined if needed in the Ring.

## **SPECIFIC SHOW RECOMMENDATIONS TO ALLEVIATE CONTACT**

- . We believe with Pre Registration, Ride Times and No Spectators (including reducing Parents & family/friends) we can keep Showgrounds attendance to approx. 50 people, riders & personnel, at one time. We also need over 300 Entries to have a show to just break even. If the Park opens in June or September we may not be up and running until future dates as many Riders have left the sport, 1 or more parents out of work and other issues to limit our show numbers.
- Novice Ring Divisions through Adult W/T are only classes they may participate in and will leave Show Grounds following their ride. Riders who trailer in with Trainers, parents will be advised to pick them up asap so as no gatherings at the Barn.
- Will have Ride Times assigned for Classes to Limit amount of people on the Showgrounds at one time.
- Dressage Shows on Saturdays have Ride Times and will leave immediately after Ride.
- Jumpers on Saturdays will be give Times to ride, as well.
- Saturday Ranch Riding Show is discontinued.
- Sunday Rings may be combined to eliminate additional essential personnel and Riders/Trainers
- As referenced above, all Entries will be by Pre Registration to eliminate Show Office congestion. Will work to make Add/Scratch and closing out Show Fees by electronic device.
- Show Office will be staffed minimally with Entry Forms outside the office. Pens to be disinfected after usage. Show Office personnel using door or window for only contact. Masks & possibly gloves will be used.
- Award distribution to be determined. Staff manning a table with mask & gloves but awards create a crowd after riding, especially

youngsters. May give amount of ribbons to each Trainer to distribute at Barn and/or mail.

- Stabling ideas: Begin reservations on outside aisles of barns, every other stall. If numbers warrant additional stalls inside will be 2<sup>nd</sup> choice. Entering and exiting Barns will have a one way in, one way out plan to reduce unnecessary contact.
